Thank You very much for Your letter of January the 4th, 1988.

My daughter Elena and I completely agreed on respecting Paolo's wishes. Therefore we decided to offer to "the Solubility Data Commission" the total fees and honoraria for Paolo's volume to be used to establish, according to Dr. Kertes proposal, a "Paolo Franzosini Endowment Fund".

In fede

(Maria Franzosini Cont.)

with personal regards for Your wife and You.
