for the World Polymer Congress
1-5 July 2018

For all the latest info visit macro18.org

CONGRESS TOPICS

- Recent Developments in Polymer Design
 - Polymers and Nanotechnology
- Polymers in Biotechnology, Medicine and Health
 - Energy, Optics, and Optoelectronics
 - Smart and Functional Polymers
- Renewable Resources and Biopolymers
 - Polymer Engineering and Modelling
- Polymer Characterization and Polymer Physics
 - Polymer Education
 - Innovation and Industry
 - Porous Polymers
 - Australian – German Symposium
 - Australian – Korean Symposium

PROGRAM AT A GLANCE

Sunday 1 July
Plenary Presentation
Welcome Reception

Monday 2 July
Plenary Presentation
Symposia Presentations
Contributed Talks
Poster Session
Trade Exhibition

Tuesday 3 July
Plenary Presentation
Symposia Presentations
Contributed Talks
Trade Exhibition

Wednesday 4 July
Plenary Presentation
Symposia Presentations
Contributed Talks
Trade Exhibition

Thursday 5 July
Plenary Presentation
Symposia Presentations
Contributed Talks
Gala Dinner
