

## 2018-2019 IUPAC Member Login and Authentication Process (for CI Digital access)

All Current members (Divisions, Committees, etc. and IUPAC Projects (Task Group Chairs/Members) are authenticated users for access to *Chemistry International* digital on the De Gruyter site. In order to provide our current members access, you will need to login to [www.iupac.org](http://www.iupac.org)

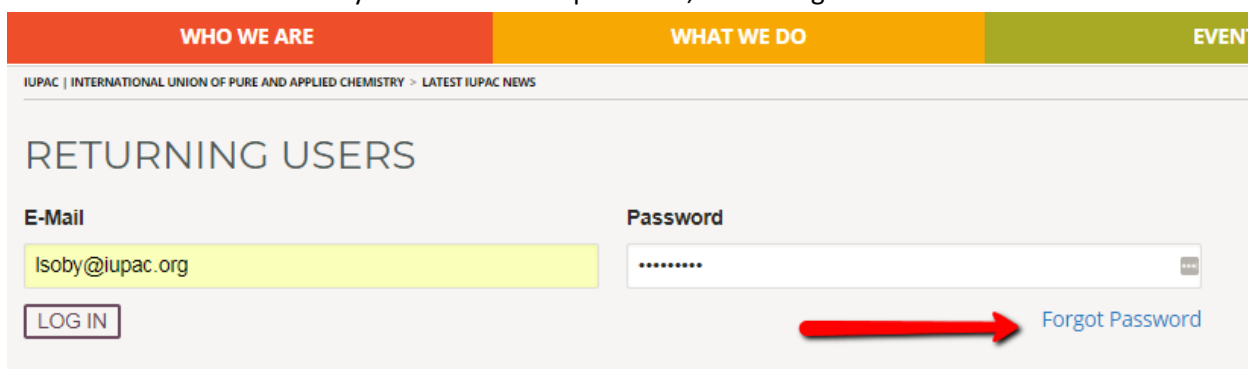

Below is how the authentication process has been built and how it works.

IUPAC Member Login:

1. Member Login:

2. Enter Email and Password. If you do not have a password, click “Forgot Password”:

An email will be sent to your email address to reset your password. **Please check Junk/Spam** folder. If this fails, contact Linda Tapp at: [ltapp@iupac.org](mailto:ltapp@iupac.org)

3. Member Profile Page

- a. General Tab:

First and Last Name, ORCID and change your Password. Remember to Save General Changes. See below Screen Shot

Welcome, Lynn Soby!

CI Access

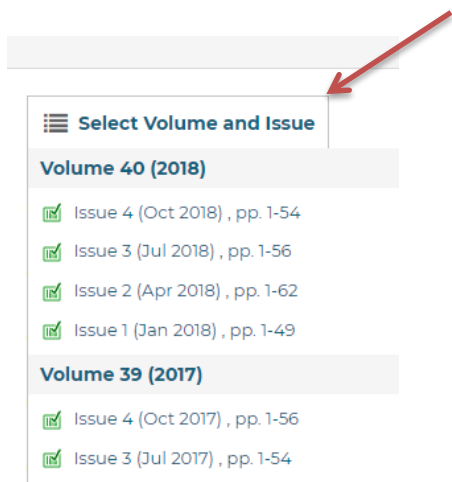

As a current member of IUPAC, you have been authenticated to receive Licensed Access to Chemistry International (CI) on DeGruyter's website. Please Click the button below to be taken to the landing page where you will be able to select a CI Volume and Issue.

[Click here to proceed](#)

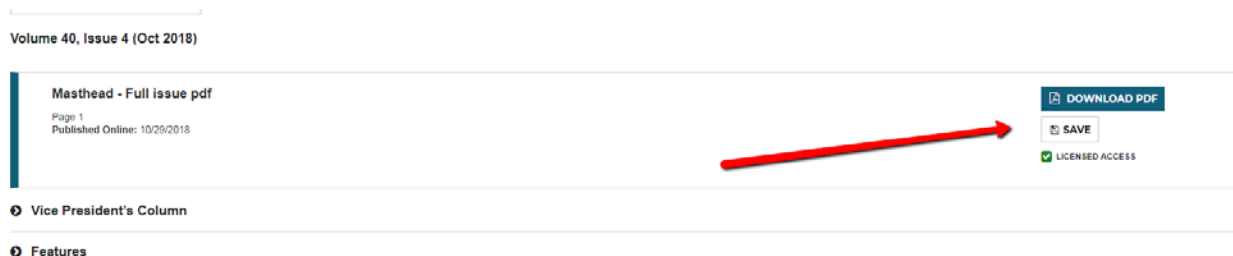

- The link will take you to DeGruyter's site for *Chemistry International*. Authenticated Users will have "Licensed Access" checked. [It will bring you directly to CI]
- Authenticated IUPAC Members are directly linked to the CI Page, as below:

Scroll down and Select Volume and Issue

You may download the issue or a particular article/section:

### **For Affiliate Members Only:**

IUPAC's Affiliate members access their membership documents through the Downloadable Files tab. There you will find your personalized membership card with member number, your certificate, the benefits of being an AMP of IUPAC and a letter from the Executive Director. These are downloadable files (.PDF)
