NOMINATIONS FOR BUREAU MEMBERS

Dr. Rees reported that, although Prof. Sartori had served only one four-year period, the Italian National Adhering Organization had omitted to nominate him for reelection as an Elected Member of the Bureau. If he was not elected Vice-President of the Union, Prof. Sartori would therefore automatically cease to be a Member of the Bureau.

After discussion and taking into account the provisions made under By-law 2.222, it was Resolved:

that the Bureau recommends to Council

(i) its Resolution to restrict the number of Elected Members of the Bureau to 11 (Minute 98, XXVII/B) be rescinded and that the number be 12;

(ii) the name of Prof. G. Sartori (Italy) be added to the list of candidates for election of Elected Members of the Bureau;

(iii) its recommendation for filling the additional vacancy be Prof. G. Sartori (Italy).
