

Concise minutes of virtual meeting - IUPAC Commission I.1 and some members of Task Group on Green Book Abridged

March 8, 2021 19:00-20:00 CET

Attendees: Jeremy Frey, Jürgen Stohner, Martin Quack, Roberto Marquardt, Jim McQuillan, Stuart Chalk, Yutaka Kuroda, Jan Kaiser, Tim Wallington, Ron Weir

1. Final corrections and confirmation of minutes of Paris meeting

No further corrections needed. Minutes are accepted as read.

2. Role of I.1 and need for renewal

Work of the commission by long standing members. Need to look for young people to continue the work and to define a long term vision for Commission I.1.

3. Green Book abridged version (GBav)

Roberto. Went through all Divisions and was accepted. Needs to go through ICTNS.

4. Green Book 4th edition

Jürgen. Larger changes needed, to start when GBav is done. Changes in atomic masses, isotopic composition, supported by Commission II.1. New SI to be implemented.

5. Green Book 5th edition (Jeremy)

Jeremy. See minutes of October 30 meeting. This is a completely new version of GB. Print and electronic with interactive components. It will be a long term project.

6. Brief report BIPM workshop - SI Digital Framework & SI Brochure digital version (XML)

Stuart. Postponed to next meeting

7. 1-day symposium "IUPAC Role in global affairs"

Roberto. Short presentation as example of how basic rules recommended in Green Book can be applied in good pedagogical practice

8. General matters

Sulphur spelling with ph or f?
