### **1. Welcome and apologies (Tim Wallington)**

The Division I president, Tim Wallington, opened the meeting and welcomed everyone. The agenda was approved.

### **2. Approval of Minutes from the last GoToMeeting (Tim Wallington)**

Approved.

### **3. Project submission process**

The procedure for the submission of projects was explained and discussed to remind members of Division I and to inform the Young Observers.

### **4. Present Division I projects (Attila Császár)**

An overview of the projects was presented. All projects are on track, no issues were identified.

## **5. IUPAC website (Fabienne Meyers)**

An overview of the new IUPAC website was presented by Fabienne Meyers and questions from the division were answered. There was a discussion of Chemistry Teacher International (led by Jan Apotheker).

## **6. Christopher Brett welcomes Division I**

The IUPAC president welcomed Division I to the General Assembly and discussed how to increase the visibility in the scientific community of IUPAC and Chemistry International.

## **7. Report about other IUPAC activities and meetings (Tim Wallington)**

The letter from the IUPAC President to the National Adhering Organizations and the proposed new organizational structure of IUPAC were discussed.

## **8. Division I report (Tim Wallington)**

The annual report of Division I to the Bureau was discussed and accepted.

## **9. Activities of Commission I.1 (Jim McQuillan)**

The activities of Commission I.1 were presented by Jim McQuillan and discussed by the Division. It was agreed that good communication between Division I and Commission I.1 are facilitated by having the President of Division I serve as an Ex Officio member of Commission I.1 and this should continue.

## **10. Gold Book project (Jeremy Frey)**

Jeremy Frey described the latest status of the Gold Book project. Members of the Division voiced their support for the project and willingness to contribute.

## **11. Any other business**

After a brief summary Tim Wallington closed the meeting.
