14/85 DATE AND PLACE OF NEXT MEETING

The Executive Secretary reported on his discussions with Prof. West and Prof. Qian Renyuan/Mr. Qui Xi-Bai of the Chinese Chemical Society at Lyon on 85.08.31. Due to the high subsistence rate of US-\$95 per day for the projected meeting in Beijing (Minute 13/85, 106th Executive Committee - London), which would have to be met in full by IUPAC, it had been agreed mutually to defer the invitation until the finances of both organizations improved.

An invitation was therefore accepted from Prof. Rao, on behalf of the Indian National Science Academy, for the Executive Committee to meet in New Delhi on 10th-11th March 1986.

Prof. Koptuyg issued an informal invitation for the Executive Committee to meet at Moscow or Novosibirsk in Spring 1987. An invitation was also noted from Prof. Jeannin to meet at Carnac.
