

IUPAC Global Breakfast

SA RACI Women in Chemistry Group

12th February 2020, Adelaide SA

The RACI SA Branch Women in Chemistry Group invites all RACI members and colleagues to join in IUPAC 2020 Global Women's Breakfast, "Bonding to Create Future Leaders".

Keynote speaker, Prof. Marnie Hughes-Warrington, DVC: Research and Enterprise, UniSA, will present a keynote address followed by short presentations including from:

- Prof Kerry Wilkinson (University of Adelaide) – wine chemistry
- Corri Baker (SA Gov, Dept of Energy and Mining) – mining projects
- Renata Kucera - (Flinders University) –environmental and organic chemistry
- Dr Melanie MacGregor (UniSA) – polymers and nanotechnology

Presentations aim to show some of the variety in chemistry in SA and career pathways that can lead from chemistry. A light breakfast will be included.

RACI members and colleagues, regardless of gender, are encouraged to attend this event as it offers an opportunity to support member networks and develop professional skills. IUPAC Global Breakfast events will start in New Zealand, continue across Australia and around the world, so this Adelaide event will be one of the first being held on the day.

Where: Bradley Forum, Hawke Building, Level 5, University of South Australia, 55 North Terrace Adelaide (near City West tram stop). (View UniSA City West [campus map](#)).
